

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over 60 years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to providing top quality and new design concepts to be able to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They enjoy offering products which energize both their partners and their dealers and provide production gains to their clients.

The TREK team of workers enjoys new tasks and new challenges. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' needs and skills along with their knowledge of cleaning applications, along with owners' strong desire to considerably lower cost through productivity gains.

When needed, the employees within TREK and its several dealer members in both parts and in technical support would be obtainable. One of their core values is their high service devotion in their customer service. Keeping their clients' cleaning equipment ready and running day by day is top priority. The company's top of the line technology delivers reliable equipment which ultimately reduces your cost of cleaning. The price, the service and the product all work together to make them an industry leader.
