

Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how tedious it will really be to tidy up your own house right after having a large party, without help from cleaning equipment. In the past, the time upholstery and carpets had the dirt beat out of them manually; cleaning cloths, brushes and brooms were the leading cleaning materials during that time.

The man who founded Nilfisk-Advance, P.A. Fisker, started out as an electrical engineer who liked to work on electrical motors. After starting his company during the year 1906, he began to make motors to drive drills, coffee grinders, fans and machine tools. Mr. Fisker's vision from the start was to have an international company marketing merchandise internationally.

The Nilfisk C1 was an incredible breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by one individual. This creation came in a time where other cleaning equipment were massive and needed at least 4 operators, thus, the Nilfisk C1 changed everything and developed the way we clean forever. The mastermind behind these first cleaning equipment remains unparalleled. Cleaning equipment offer a brilliant solution to an ongoing problem; things get dirty and should be cleaned regularly, without too much effort.

Slowly, the company Nilfisk-Advance grew through the years. During the the early part of the nineteen eighties the business grew fast when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the business, aiming to be an active worldwide player in making professional cleaning machines. Nilfisk-Advance is now found in all parts of the globe by steadily acquiring lots of small businesses to be able to grow their product portfolio and presence in new markets. They are proud to offer different cleaning solutions to suit every requirement.
